

**Provide  
Excellence**

## **Inspire your guests with exclusive TV service**

Through the GSS comprehensive solutions you will discover the huge range of hospitality services with your TV sets!

## Make your TV set a valuable assistant

As a good host you and your staff do the best for the convenience of your guests. With our comprehensive solutions you can easily expand your team with a valuable assistant. Make your TV set to an individual partner for your guests.

## Comfort solutions made in Germany

Our products are worldwide known and used independently of the TV manufacturers. We can provide you with the complete project planning. During installation of our system your running hotel business will not be affected at all.

### Advantages of the GSS TV comprehensive solutions at a glance:

- Individual welcome of your guests
- Screen background in your Corporate Design
- Information of the gastronomic offer
- Display of individual information
- Personal customised menu
- Additional information for the respective menu
- Push messaging

And so it works:

**„Welcome dear Ms. Mustermann“**

Welcome of the guest with full name in his native language with the first turn-on of the TV set.

**Background image in your Corporate Design**

You can select both the menu for the complete use and all background images individually adapted to your hotel.

With registration of the guest the desired language is memorised and the choice of channels will automatically appear in the desired language.

Preferred channels in the guest's native language are automatically sorted in top of the channel list.

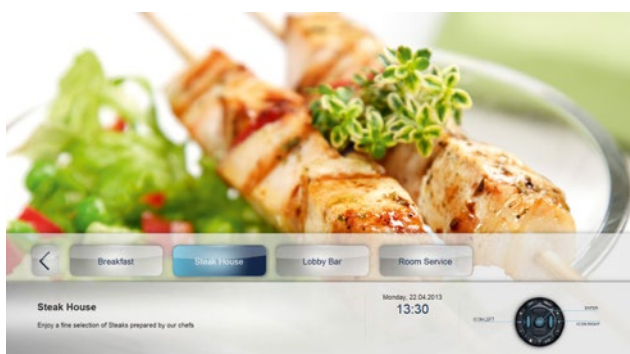

**Specific customised menu with additional information for the respective menu**

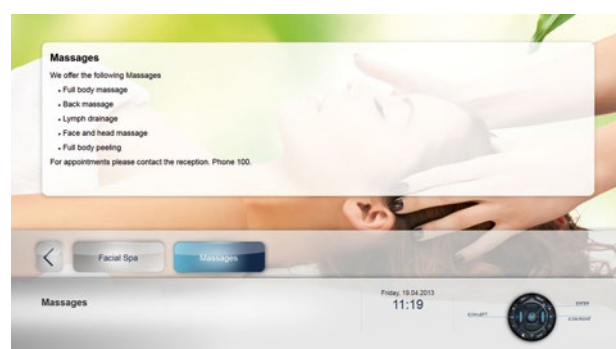

**Automatic sorting of TV channels**

GSS comprehensive solutions for hotels

**Information to the gastronomic offer**

The guest can easily view the menu card from his room.

**Display of individual information**

Your guest can be informed personally and up to date.

The hotel guest automatically gets messages for the ordered services.

**Push messaging**

**All items described herein can be configured individually to your requests.**

# Break out in a new dimension of hotel TV!

**Well informed, in a good temper, enjoy coming back ...**

In the hotel a TV set quickly gives us a sense of home through native language, known faces, preferred series.

Use the power of this emotional anchor and give your guests the opportunity to get the best hotel TV service with our GSS comprehensive solutions.
